

The UK's fastest growing container manufacturer

50 to 1,000 ml Standard Range

Standard Range bottles are ideal for a wide range of contents including janitorial detergents, DIY, lubricating oils, toiletries, adhesives, food products, garden & pet care.

Manufactured in high density polyethylene, the Standard Range is available in 11 different sizes. The 24mm neck option is available as 14T or 16T. Can be manufactured in different weights for specific applications, subject to minimum order quantities. * 4 sizes available with tactile warning sign.

Bottles accepts printed labels. Our U.V. water-resistant labels provide excellent print quality and are made from 100% recyclable material.
