Compatibility

Some chemicals, and process parameters, can affect the integrity of the container. The buyer must undertake testing and approval for the containers suitability for the product and application.

Raw materials are REACH compliant and safe for food contact.

The translucent Visi-Stripe clearly identifies fill level. Visi-Stripe is available in both 20 and 25 litre Jerrycan sizes at no additional cost.

- Attractive design in a choice of blue, black, yellow or grey
- Large panel area for labelling display
- Can be embossed with your corporate logo
- Corner ribbing on sides and base for secure stacking
- 'No leak' pouring spout and closure provides precise, safe dispensing
- Ergonomic 'smooth grip' handle makes full cans easy to carry
- Visi-Stripe Jerrycans are reusable and 100% recyclable
