

METAPLAST

New Ergo 55 litre Kerbside Box & Lid

Metaplast: Container producers
to the Recycling and Waste
Management Industry

Metaplast new Ergo Kerbside Boxes are designed for the kerbside collection of home sorted recycling waste.

Six colour options allow waste to be sorted by type, for easy identification at collection.

The 55 litre capacity box is fitted with two robust, heavily reinforced and ergonomic handles. An optional lid is available.

Boxes can be printed with the council's logo or company branding and recycling category (plastic, glass, paper & card, etc).

Kerbside Boxes nest when empty, for space-saving storage and distribution. Boxes stack when fitted with lids and by turning through 90° for additional flexibility.
