

Ecosort Recycling Bins

Range of recycling bins, lid and accessories

Metaplast's new range of Ecosort bins, lids and accessories provide a compact and convenient system for collecting recyclable waste.

Since March 2025 businesses* in England are legally required to separate their waste into six specific categories (plastics, metal, glass, paper, card and food waste**) for collection by licensed waste collectors.

*Businesses with fewer than 10 full-time employees are exempt until 31st March 2027.

**Food waste must be collected separately if your business produces more than 5kg per week.

For more information, please visit:

www.gov.uk/guidance/simpler-recycling-workplace-recycling-in-england

Features

Two bin sizes: Midi 60 litres and Maxi 70 litres

Compact design: small footprint requires minimal space

Six interchangeable lids in numerous colour options

Ergonomic handles for easy lifting and emptying

Supplied with matching WRAP approved body and lid labels (bespoke graphics available subject to min qty order).

Clip-on signs and labels provide easy identification waste type

Optional trolleys lock together to create manoeuvrable recycling stations

Ecosort bins and lids are themselves 100% recyclable

The Ecosort Recycling System

Combine two bin sizes with six lid types and numerous colour options to create a bespoke recycling system to match your specific needs.

2 bin sizes

60 litre Midi and taller 70 litre Maxi bins have the same compact footprint. Both bins are available in a choice of three colours and can be fitted with all six lid options

60 litre Midi Bin

70 litre Maxi Bin

6 lid designs

Six interchangeable lids in numerous colour options

Round Lid: for easy disposal of glass, cans or plastic bottles

Paper Lid: wide slot for paper collection

Frame Lid: large aperture for easy collection

Hinged Lid: lift up lid conceals contents

Swing Lid: for hygienic hands-free disposal, conceals contents

Security Lid: narrow slot prevents unauthorised access, with tamper-proof locking system

Mobile trolley

Fitted with 4 swivel castors, trolleys allow full bins to be easily wheeled out for waste collection. They also interlock to create mobile recycling stations.

10 label options

Each bin & lid combo can be supplied with matching WRAP approved labels for both bin and lid.

Choose from:

- paper
- confidential paper
- mixed paper & card
- food tins & drinks cans
- plastic bottles
- mixed glass bottles & jars
- mixed recycling
- general waste
- food waste
